

Kindness in Action(KIA)/ ANCOP Dental Mission 2024

Philippines Mission dates:
Feb 17- Mar 02,
2024

Work site #1:

The first week sees the return of KIA dental team to the ANCOP Canada Village in Quezon City which was served by a KIA team in 2007 dental mission. The need remains great in this village in the middle of the Quezon City slums.

Work site #2:

The team will travel to the community of Pagbilao in Quezon Province. This rural location was chosen to honor the home province of Dr. Tricia Magsino Barnabe, a team member for this upcoming mission trip.

Mission info: [KIA \(Kindness in Action\)](#) is a Canadian organization that sends dental teams to provide humanitarian dental health services in underprivileged countries. In 2014, a KIA team held a mission in Ormoc, Leyte- a community devastated by the super typhoon Haiyan to aid in its recovery.

[ANCOP \(Answering the Cry of the Poor\)](#) is an organization that provides education, shelter and healthcare to the poorest of the poor in the Philippines and has expanded their reach to Indonesia and several countries in Africa. ANCOP previously hosted KIA dental missions in 2007 and 2014.

It takes only a moment to perform a kindness, but its effect can last a lifetime.
